Dear Corporate Sponsor,

My name is Anthony Fasolas and I'm the founder of The Housing With Hope Foundation Inc, a 501(c)(3) non-profit organization that offers programs, services, and supportive housing to older adults throughout Union County and Central New Jersey. Our team works hard to support and bring awareness to the struggles faced by our older adult population, particularly when it comes to their ability to secure housing, navigate isolation and loneliness, and thrive during what should be their golden years.

We're currently planning to expand our efforts and reach more loved ones and neighbors with our mission. That is why we are asking for your help. With your resources and community commitment, together we could make an incredible difference.

By becoming one of our corporate sponsors, you'll be able to support programs that make housing and related resources accessible for the elderly, provide them with community engagement opportunities, and allow aging adults in Union County and Central New Jersey at large to experience their golden years as ones full of thriving and connection.

We've also developed a set of incentives and perks for our corporate sponsors to enjoy when they donate (See the sponsorship tiers below for details). Regardless of the amount you choose to give, your company name will be included on our website and you'll be included in the press release that we'll publish on our website for this on-going sponsorship campaign.

We hope you'll review the sponsorship tiers to find the giving level that's right for your company. If you're ready to make a donation, please visit www.housingwithhope.org/donate/.

We'd like to thank you in advance for your generosity. Please don't hesitate to contact us directly at 908-520-6600 or info@housingwithhope.org if you have any questions.

Sincerely,
Anthony Fasolas
