

# Housing With Hope Foundation, Inc.

**We are a 501(c)(3) nonprofit organization that offers programs, services and supportive housing to older adults in Union County and throughout central New Jersey.**

Dear Supporter,

The Housing with Hope Foundation is pleased to announce our 1st Annual Charity Golf Tournament to raise funds for the critical work we do for deserving communities.

Housing with Hope Foundation 1st Annual Charity Golf Tournament  
Thursday, October 7th, 2021  
Royce Brook Golf Club, West Course  
201 Hamilton Road, Hillsborough, NJ 08844

With the challenges of this past year, our organization has been a vital part of keeping isolated seniors feeling connected and supported. Our vaccine initiative helped many seniors get vaccinated who felt powerless because of the technology gap, and our delivering of meals for seniors helped them feel they had someone taking care of them during the holidays. However, that is just the tip of the iceberg of what we do. Our team works hard to support and bring awareness to the struggles faced by our aging adult population. We have worked diligently to help when it comes to their ability to secure housing, navigate isolation and loneliness, and thrive during what should be their golden years.

While we celebrate our successes, together we can do more. We are currently planning to expand our efforts and reach more loved ones and neighbors with our mission. That is why we are excited to welcome you to support our cause by attending our golf fundraiser, sponsoring your business, volunteering or simply donating. With your resources and community commitment, together we could make an incredible difference. By becoming one of our corporate sponsors, or even just attending the golf outing, you'll be able to support programs that make housing and related resources accessible for the elderly. You will help provide them with community engagement opportunities and allow aging adults in Union County and Central New Jersey at large to experience this time as one should, full of thriving and connection.

We hope you will review the sponsorship tiers to find the giving level that's right for your company. This is a great opportunity to not just play some golf and do some charity, but market your company to others with similar values at the networking luncheon. Once you are ready to join us for some fun and know how you best want to get involved in our charity golf tournament, please sign up at [www.housingwithhope.org/golftournament](http://www.housingwithhope.org/golftournament). You can also find more information about the packages and the exciting day attached to this letter.

We thank you in advance for your generosity and are looking forward to seeing you in October. Please don't hesitate to contact us directly at 908-520-6600 or [register@housingwithhope.org](mailto:register@housingwithhope.org) if you have any questions.

Sincerely,  
Anthony Fasolas
